

HSA, FSA, HRA, COMMUTER BENEFITS, COBRA ADMINISTRATION

# SIMPLIFY CONSUMER- DRIVEN EMPLOYEE BENEFITS!

A single-source solution integrating technology and processes for benefits and COBRA administration.

Workforce Junction partners with Discovery Benefits, a WEX Company, one of the largest administrators in the country, to provide administrative services for HSA, FSA, HRA, commuter benefits, COBRA, and billing solutions.

**Save time and stress in the set-up process and ongoing administration.**

### **Flexible Spending Accounts**

A flexible spending account lets employees take home more of their paychecks by setting aside a portion of their salary pre-tax to pay for qualified medical or dependent care expenses.

### **Health Savings Accounts**

Administration of the health savings account using Workforce Junction allows employers to offer employees enrolled in a high-deductible health plan (HDHP) the power to save tax-free dollars to pay for out-of-pocket medical, dental and vision expenses – with no “Use it or Lose it” provision. The administrative and accounting complexity is simplified with this integrated solution.

### **Commuter Benefits**

Commuter benefit plan administration include mass transit and parking benefits that save employees up to 40% on their commute to and from the office.

### **COBRA**

COBRA administration through Workforce Junction allows employers to offer continuation coverage to qualified beneficiaries without worrying about the latest regulatory changes or communication with members and insurance carriers.

### **Health Reimbursement Arrangements**

Health reimbursement arrangements are employer-funded accounts that help companies take care of their employees by reimbursing qualified out-of-pocket medical expenses.

Workforce Junction has multiple enrollment and COBRA files in place with Discovery Benefits today, and our integrations continue to enhance and grow.
